SAGE - Privacy Policy

Effective Date: March 13th, 2025
Last Updated: October 14th, 2026

1. Introduction

This Privacy Policy describes how **SAGE, developed by ACM Development at The University of Texas at Dallas (UTD),** collects, uses, and protects your personal information. By using SAGE, you agree to the collection and use of information as described below.

2. Information We Collect

We collect the following types of data:

a) User-Provided Data

- Name and email (for authentication)
- Transcript uploads (if provided by the user)
    - utd id
    - name
    - programs (majors, minors, etc.)
    - gpa
    - credits (including transfer credits)
    - courses (per semester)
        - course code
        - course name
        - credits earned
        - grade
- Degree plan preferences and advising queries

b) System-Generated Data

- **Interaction logs** (to improve AI responses)
- **Usage analytics** (to optimize service performance)

SAGE **does not store any other information from transcripts or the transcripts themselves.** The aforementioned data is scraped once and the transcript is discarded.

3. How We Use Your Data

We use collected data to:

- **Personalize** advising recommendations based on your academic history
- **Generate** degree plans and class suggestions

- **Improve** AI accuracy by refining advising responses
- **Ensure** compliance with platform policies

SAGE **does not sell or share** your personal data with third-party advertisers.

4. Data Storage and Security

- Data is stored securely on **AWS servers** with **encryption**.
- Access to your data is restricted to authorized ACM Development Officials only.
- We implement industry-standard **security measures** to protect against unauthorized access or data breaches.

5. Data Retention Policy

Your data is retained for **active use** unless you delete via profile page to which once erased, there's no turning back

6. User Rights & Data Control

You have the following rights regarding your data:

- **Right to Access**: Request a copy of your stored data
- **Right to Correction**: Update incorrect academic information
- **Right to Deletion**: Request complete removal of your data

To exercise these rights, email **development@acmutd.co** with your request.

7. AI Data Processing Disclaimer

SAGE uses AI to analyze student transcripts and advising queries.

- AI-generated responses **may not always be accurate**
- User data is **not used** to train external machine learning models
- AI chat logs may be **reviewed internally** to improve accuracy

8. Cookies & Tracking Technologies

- SAGE **does not use tracking cookies** for advertising.
- Basic **session cookies** are used for authentication and improved user experience.
- SAGE uses Microsoft Clarity to understand how SAGE is used so that we can improve user experience. This tool may collect anonymized interaction data, such as clicks and page navigation just exclusive to utdsage.com. No personally identifiable information is captured through this tool.

9. Third-Party Services

SAGE integrates with:

- **AWS (Amazon Web Services)** for cloud hosting
- **UTD public advising resources** for degree plan recommendations
- **Microsoft Clarity** for anonymized session analytics and UX improvements

We do not share data with **third-party marketing firms** or external organizations.

10. Changes to This Privacy Policy

We may update this Privacy Policy periodically. Users will be notified via:

- **Email notifications**
- **Platform announcement banners**
